Sip & Inspire Change

Please join us for the Second Annual Petit Family Foundation's **Sip and Inspire Change** Wine Event at Farmington Gardens, Farmington. It will be an evening of exquisite wines and sumptuous bites. Wine professionals will be pouring their best selections of wines from around the world, such as Cabernet, Chardonnay, Sauvignon Blanc and, of course, many unique selections to discover, beyond the usual.

Join friends, old and new, for an unforgettable evening to support the Petit Family Foundation at this marquee event.

The Petit Family Foundation honors the memories of Jennifer-Hawke Petit, Hayley Elizabeth Petit and Michaela Rose Petit by continuing the kindness, idealism and activism that defined their lives. The Petit Family Foundation has awarded over \$7.5 million in grants to programs and projects all over Connecticut.

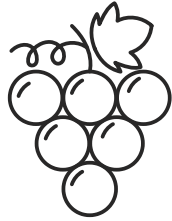

The funds raised will foster the education of young people, especially women in the sciences, improve the lives of those affected by chronic illness and support the efforts to help and protect those affected by violence.

Event sponsorship includes tickets, a commemorative Petit Family Foundation branded wine tasting glass along with significant marketing exposure through the event website and digital promotions and social media. To capture the experience, there will be a Photo Booth. Please consider sponsoring this event. The sponsorship details included on the next page.
